

## **ON THE JOB TRAINING**

Approximately 8,000 hours of on-the-job training are required for completion of apprenticeship.

Carpenters apprentices will learn form building, pre-fabricated concrete installation, welding and burning, rough framing, outside finishing, inside finishing, acoustical and drywall, finish hardware, layout, care and use of tools and woodworking machinery, walkways and shed construction, safety and protection device construction, installation of pre-fabricated modules, and scaffolding.

## **RELATED TRAINING**

A minimum of 144 hours of classroom training is required each year to complete the program. This is broken up into three terms of one class per term. Classes are held at Portland Community College-Rock Creek Campus.

## **WAGE SCHEDULE**

Apprentice wages are based upon the average wage for journey workers employed by participating training employers. Apprentices are paid a progressive percentage of that average journey wage as follows:

1 <sup>st</sup>	1,000 hour period	55% of average wage
2 <sup>nd</sup>	1,000 hour period	60% of average wage
3 <sup>rd</sup>	1,000 hour period	65% of average wage
4 <sup>th</sup>	1,000 hour period	70% of average wage
5 <sup>th</sup>	1,000 hour period	76% of average wage
6 <sup>th</sup>	1,000 hour period	82% of average wage
7 <sup>th</sup>	1,000 hour period	88% of average wage
8 <sup>th</sup>	1,000 hour period	95% of average wage
